

# **Palmetto Industries India Private Limited India**

## **- Food Safety Guidelines**

At Palmetto Industries (India) Pvt. Ltd., we believe that food safety is our responsibility and commitment in our Products (FIBC bags and POPP bags). As a trusted manufacturer of FIBC and BOPP bags for food applications, Agriculture and other industries, we ensure that each and every product leaving our factory meets the highest standards of safety, quality, and hygiene.

### **Palmetto Promise to Customers**

We ensure that all our bags are manufactured in a clean, safe, and controlled environment.

Every stage of production is monitored to make sure our bags are fit for food supply chain industry and all other industry uses.

We work closely with our customers to understand their needs and requirements to guarantee their satisfaction.

### **Our Key Food Safety Practices**

We follow strict quality checks at each and every stage of manufacturing process.

Use of approved and safe raw materials (which can be used in food supply chain industry).

Final inspection with detection systems before dispatch.

All employees follow strict hygiene rules: wearing caps, overcoats, following jewellery policy, and using foot wash facilities before entering production areas.

Continuous training and awareness for our employees on food safety and hygiene.

Regular reviews and improvements to keep our practices up to international standards.

### **Our Commitment to Customers**

We are committed to zero compromise on food safety and to providing packaging solutions that are reliable, safe, and trusted by customers worldwide.
